CHOICE COIN

This diagram of **OVALS** shapes represents a coin object from the logo

This diagram of **THUMB** represents a vote from one of the aims and objectives of this project.

This diagram is formed from two letters **C**, facing and intersecting each other to form a new shape, with the spheroid shape at the point of intersection and it's adopted from the present logo.

One **C** stands for **CHOICE** and the other one stands for **COIN**, i.e. **CHOICE**

COIN. This shape also illustrates protection; it protects the **THUMB**, which makes the **CHOICE COIN** protect the vote of the holder.
